

Gainsborough Primary & Nursery School Parent Feedback – July 2016

Dear Parents/Carers,

At Gainsborough, we genuinely value your thoughts, ideas and suggestions. This form gives you the chance to tell us your opinions about what we do well and how we can improve our school further.

Feel free to comment on areas such as teaching and learning, leadership, safety, behaviour, communication (e.g. newsletter and website) or anything else you wish to mention.

Many thanks for your time and continued support.
