

Mrs Taylor - Year 5

I currently work in Year 5 and teach the wonderful Class 11.

My teaching journey started back in 2002, as a Year 3 teacher at what was Cledford Junior School (now Cledford Primary) where I was the humanities co-ordinator. In July 2015, I was offered the opportunity to teach at Gainsborough for a year on a secondment. Almost five years later, I am still here and love teaching at this amazing school!

Since arriving here I have become the Key Stage 2 and English lead. As the lead for English it is my aim to instil a love of both reading and writing that will last our children a lifetime.

Away from teaching, I love to spend time with my family. We enjoy travelling around the U.K. and further afield. I also spend a lot of time supporting my two daughters playing netball and recently began a coaching qualification and help coach at their club. You will find me each Sunday, courtside, cheering them on.

"All our dreams can come true, if we have the courage to pursue them."
