

Gainsborough Primary & Nursery School Newsletter

23rd June 2023

Dear Parents/Carers

School walk – not school run!

We know many of you are enjoying the better weather and are taking advantage of it by walking to school. At Gainsborough, we are committed to the safety and well-being of our pupils and wider community. Over the coming year we shall be looking at ways of improving the environment outside of the school gates and well-being of the children, however, we need your continued support to achieve this. Cheshire East Council, in conjunction with  are committed to 'cleaning the air', particularly around schools whilst improving fitness and mental health. To support this initiative, we are asking that you try the following:

- walk to school every day
- cycle or scooter to school - with the appropriate safety gear!
- if you need to drive – park your car a little further away to reduce congestion outside of the gates and walk the remainder of the journey
- if you park your car outside of school – turn off your engine. You may have seen our new signs!
- leave the school crossing area clear of cars so everybody can be seen and cross the road safely
- park safely – particularly on the corner of Jesmond Crescent and clear of driveways of local residents
- if it's wet - wear your wellies! Don't let the rain put you off getting some fresh air

We hope you will join us in making some small changes to improve the air quality and safety of all!

Have a lovely weekend.

Miss Woolley

Year 3

Year 3 have been enjoying our PE sessions this term and were able to put all of our learnt skills together to play a game of rounders. We warmed up with a game of clap catch then worked as a team to bat and field. Some of us even got home runs.
