

Mrs Lisa Brookes

I work in Year 5 primarily based in Miss Marshall's class. I live locally and all of my children have either been or are currently at Gainsborough.

When I'm not in school, I love spending time with my family. I especially love getting out and about in the local area and taking part in the events organised by the local council as part of Creative Crewe.

Before I joined the Gainsborough family, I trained as a hairdresser and won awards for my creative style techniques.
