

Mrs Helen Cooper- Teaching Assistant

I started my working life as a qualified nurse, working at the Manchester Royal Infirmary, the Christie and Blackpool Victoria Hospital before moving back to Cheshire.

I joined the Gainsborough team in 2008. I have spent the majority of my time working in reception and nursery, where I delivered interventions in early writing.

Within my role I support Read,Write,Inc and early writing helping the children to learn and succeed. I also enjoy creating displays for the school environment.

Out of school I am busy in my garden, baking or relaxing with a good book, but my great joy is to spend time with my three grown up daughters and to go hiking with my husband.
