

Mrs Kelly (formally known as Miss Garside)

Since I was a little girl, I always dreamt about being a teacher or a professional footballer! I have been lucky to achieve both in my lifetime. I started my teaching journey at Gainsborough; as part of my teacher training programme back in 2014. Nearly ten years later, I am still here and thoroughly enjoying myself!

I have worked in all areas of key stage two, and now I am excited to be a part of the year 6 journey! In school, I am the maths co-ordinator – I love all things mathematical and helping children solve tricky problems.

Away from school, I enjoy walking my dogs; Ralphie and Lola. They enjoy going to the country park and walking around the lake. I find it quite therapeutic and relaxing. Before bed time, I enjoy snuggling up in my blanket and reading a good autobiography.

As most of you know, I am a Stokie – I will end this in a good 'ode' Stokie fashion. 'Tra duck!
