

Miss Lizzie Marshall - class teacher

Hi, I'm one of the Key Stage 2 class teachers. I have been working at Gainsborough since September 2017 however, I haven't always been a teacher. I spent the first twenty years of my career working for Astra Zeneca in Macclesfield. I then decided it was time for a change and went to university to get my teaching degree. Working at schools in the local area, I have spent the majority of my teaching career in key stage 2.

Outside of school, I love exploring new places, walking with my dog and 2 sons, reading, crocheting, Zumba and singing in a local choir.

I like to make the most of every day, live life to the full and the quote 'Think positive, be positive'.
