

Gainsborough Primary & Nursery School Newsletter

26th April 2024

Dear Parents/Carers,

I thought I would take this opportunity to remind you about our work here at Gainsborough as a 'No Outsiders' school.

Our curriculum helps our children to understand and celebrate diversity. We create an atmosphere that is caring, happy and inclusive and which celebrates the unique differences of all the children in our school. Put simply, 'All Different, All Welcome'.

No Outsiders is a proactive approach which encourages the children to value each other. Through weekly assemblies, daily discussions around a picture and half termly exploration of a theme in a story book, it challenges stereotypes and the use of derogatory language.

'No Outsiders', alongside other elements of our SRE (Sex and Relationships Education) and PSHE (Personal, Social & Health Education) curriculum aims to ensure that Gainsborough is a place where every member of the school community feels welcome.

We hope you have a lovely weekend,

Mrs Nurse

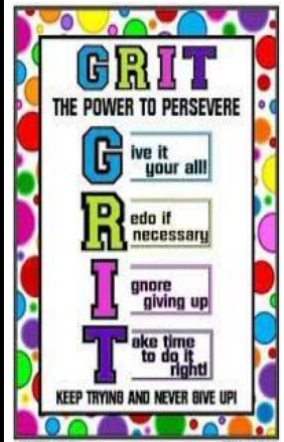

Year 4

This week Year 4 went to The Oaks for another exciting art lesson. We looked at tone and shading and how we could create different effects by using various techniques with our pencil. Next, we looked at different types of Roman pot, focusing on the pattern and the symmetrical qualities of the pots. Finally, we carefully sketched our own Roman pots.

School Visits

When your child is going on a school visit and you require them to have a school packed lunch, please remember to order it in plenty of time with Mrs Hough in the office.

This week in Nursery we have had fun dressing up in our beach roleplay.

This week in Reception we have been exploring floating and sinking. We made predictions and discussed why we thought the objects would sink or float.

Please remember to send in your child's book bag and reading diary every day. Make sure you read at home 4 times or more for a reward on Monday.
