

Gainsborough Primary & Nursery School Newsletter

14th June 2024

Dear parents/carers,

This week you will have received a letter inviting you to attend parents' evening for your child. These meetings are an opportunity for you to discuss with the class teacher how your child is progressing towards the targets set on last terms annual written reports. They are also a great opportunity to find out how best to work together with school to support your child's achievement. You can book your appointment time on Arbor. If you experience any problems, please contact the school office and someone will be able to help you.

Arbor Parents' Evening

Wednesday 3rd July

Thursday 4th July

No doubt you will be starting to think about your child's new class for September. Our annual 'move up' days will take place on Thursday 4th July and Friday 5th July, and they will give your child an opportunity to meet their new class teacher and become familiar with their new classroom.

Have a lovely weekend,

Miss H Woolley

WELL DONE TO YEAR 4

This week in Year 4 we have been working hard to make sure that we know all of the times tables as we have been completing the statutory times table check. The children have worked consistently throughout the year to learn the times tables through songs and using 'TT Rockstars'. We are very proud of all the children and their amazing scores!

In addition to this, we have been preparing for our summer fair by making friendship bracelets and potting up plants. We look forward to selling them to you at the fair on Friday 21st June!
