

One Minute Guide

Are Online Games and Apps Safe for Your Children?

1) Type 'NSPCC Net Aware' into Google.

2) Click on the App you want to find out more about.

3) Find a quick summary of what the game or App is about

5) Find out the age rating

Fortnite: Battle Royale

Fortnite is a popular survival action game where up to 100 live players can fight each other to be the last one standing. The game includes heavy violence but with little blood or gore. You can talk to other players using public, private and voice chat.

12+ Official age rating

4) Each category is rated:

Low risk = green

Medium risk = yellow

High risk = red

NSPCC Net Aware is an excellent tool for parents to learn more about how safe games and Apps are for children.
