

Mrs Steph Addis – Class 13 Teaching Assistant

Hi, am one of the Year 6 team here at Gainsborough. I started working here in September 2007 and have enjoyed working here from then to now.

I am a positive person and I currently work with an amazing and positive year 6 team. I don't believe in negativity and try and take every aspect of life and turn it into a positive.

I have worked in education locally since 2002 and prior to that I was a child minder and cared for children in my own home for many years. Personally, I have two adult children who have successfully followed my steps into education and are both teachers in local schools.

Outside of school I enjoy spending time with my family, home design and upcycling furniture, which I have been doing for a couple of years.

I believe in this mantra: Ever child needs a champion – an adult who never gives up on them, who understands the power of connection and insist they can be the very best they can be.
