

## Miss Heather Woolley

I have worked at Gainsborough for many years now and have been teaching for many more! Each year I enjoy getting to know new families and children whilst welcoming siblings from families I already know. I have taught across the primary range but I do particularly like teaching in Key Stage 1.

I have a total love for learning and get excited when I discover new things. Outside of school I enjoy exploring the Scottish Highlands, reading, museums and galleries. As you get to know me, you'll also discover that I love a nice cup of tea!

“You can never get a cup of tea large enough or a book long enough to suit me.”

– **C.S. Lewis**
